

APPLICATION

Thank you for your interest in id11's artist-in-residence in Rutten, Noordoostpolder in the Netherlands.

organized by the host

id11 will assist you to get familiar with the Noordoostpolder, her cultural institutions and useful places. If requested id11 can organise an Artist Talk and a final public presentation of the work created during the residency and will take care of the publicity. All this in consultation and to the wishes of the artist.

duration

Up to 1 month.

paid by the artist

The studio fee, in combination with private living accommodation, excluding meals is € 650,- euro per month for individual artists. For 2 persons the price is an additional € 150,- euro. A shorter working period is possible for €25,- p.p. a day. The nearest store is 6 km away, but every week, on Monday, the area is served by a SRV (mobile store). Because the stores are not just around the corner id11 offers the possibility to join the vegetarian and organic meals (an extra charge for food will be required).

studio information

For working space id11 offers different possibilities. There is a large outdoor area, a workshop, a stable used for working-, project- and exhibition space, former huge icebox for tulip bulbs and the large attic of the stable used also for working. Regularly the bright painting- /drawing studio is available. In consultation it will be verified which space is available and the most suitable.

accommodation information

The living accommodation is a pleasant room which brings you back to a 1970's atmosphere. The room has a private bathroom with shower and toilet and is suitable for a maximum of two persons. In Spring/Summer months we also offer the Caravan Club. The caravan is suitable for one person and has a shared bathroom. A third accommodation is the attic of the stable, used in the Spring/Summer for a small group. Internet is available.
